Overview

Bain Capital Specialty Finance is a business development company utilizing the significant experience and expertise of Bain Capital Credit's Private Credit Group which has over 20 dedicated professionals around the world that exclusively focus on middle-market investments. This scale enables the team to remain focused on sourcing and analyzing a large opportunity set, while remaining highly selective in approving credits. This approach facilitates our team's detailed focus on structuring, monitoring, and managing each of its current and prospective portfolio company investments.

We will also draw on the broader capabilities within Bain Capital's platform of investment professionals around the world.
